CORAM: DR. D.Y. CHANDRACHUD, J.
12th October, 2006.

P.C. :

The Petitioners seek a review of the order of this Court dated 4th September, 2006. The grounds urged before the Court during the course of the submissions essentially seek a reconsideration of the issues which were heard and decided by the Court on merits once again. It is not the case of the Petitioners that the material which has been relied upon by them in support of the Review Petition was not available despite the exercise of due diligence when the Petition was originally heard. In these circumstances, no case for the exercise of the jurisdiction in review is made out. The Review Petition is dismissed.
